

## Setting up a group for people who have used Lambeth Home Treatment Services

<b>For</b>	Service user consultant with experience developing projects
<b>To do what?</b>	To support the development of a pilot service user group at the Lambeth Home Treatment Team. This is likely to be a short term piece of work involving participation in one or two meetings. First meeting
<b>What skills/experience do I need?</b>	We are looking for someone who: <ul style="list-style-type: none"><li>• Can attend the meetings</li><li>• Can give a service user perspective on what is important to consider in developing an running a service user group for people who have used home treatment services</li><li>• Have experience of using home treatment services would be desirable</li></ul>
<b>Why?</b>	It is important that we get feedback and ideas from people who use our services as we set up and develop groups.
<b>When?/ Where?</b>	The work will be held at Lambeth Hospital
<b>Paid?</b>	This work can be paid through the involvement register
<b>Support</b>	You will be supported by the Psychological Medicine CAG Patient & Public Involvement Lead
