

# **SERVICE USERS AND CARERS - FIND OUT/TALK ABOUT:**

## **Checking and improving the quality of services**

for mood, anxiety and personality disorder services, crisis services such as home treatment and specialist services such as chronic fatigue, eating disorders

Recently, services have been reviewed. We want to tell **you** what we found. We want you to tell **us** an example of **good quality** in a service that you have experienced.

**Come to this informal two-way feedback session  
on Friday 15<sup>th</sup> July 2011 2 – 4pm at the Maudsley.**
