

Calling all service user and carer consultants!

Training Session:
**Confidentiality & Information
Security**

In your work as a service user or carer consultant, you may come across sensitive information. SLaM has clear guidelines and policies about how this type of information should be handled.

The Information Governance Manager for SLaM is going to run a 90 minute classroom session for service user/carers consultants to highlight these policies & guidelines focussing on:

- The principles of confidentiality
- Security of sensitive & personal information
- Secondary uses of clinical information eg; audit.

This training opportunity is not a paid opportunity. All participants will receive a certificate of attendance.

Date: 22nd November 2011

Time: 1.00 – 2.30 pm

Venue: Maudsley Hospital

Booking Essential as places are limited.
