

Find out & talk about: Changes to community psychological therapies services

*The way psychological therapies are provided could be changing in
Southwark...*

If you are a **Carer** or **Service-User** (i.e. you use these services or have done so in the past), it is important that you come along to this event. This is part of SLaM's approach to consult with service-users and carers that will be affected by these changes. **Find out what the changes could be and give your feedback on them!**

SLaM want to hear your views!
