

Help improve services for carers...

...by sharing your views

Southwark Council are seeking your views on the Carers Strategy Catherine McDonald, Cabinet Member Health, Social Care & Equalities will be opening the event as we seek your feedback on Southwark's Carers Strategy 2013 - 2016.

We have commissioned a number of short plays to illustrate some of the situations that carers might face and facilitate discussions around the strategy and priorities for carers.

The Strategy looks at what support carers can expect to receive in future, we will also be asking all carers one question what three things would make it easier for you to be a carer?

This is your opportunity to have your voice heard.

We will also have representatives from other charities and the CCG that you can seek advice from.

Date: Friday 29th November
Time: 14:00 - 16:00
Venue: Walworth Methodist Church, 54 Camberwell Road

**CARERS
RIGHTS DAY**

Carers Rights Day aims to make carers aware of different kinds of practical support that could support them to care.

Southwark Carers have invited a number of advisors and experts to attend our carers rights day event to inform you about changes to benefits and wider support that is available to carers.

We will also be celebrating everything that carers do and saying thanks with our annual Christmas Party.

We will be selling home made christmas cards and other items that have been created by the carers in groups through the year.

To get into the spirit of christmas we will have a festive playlist and hold our own carol service led by the Walworth Methodist Church's choir master.

We will be providing a buffet for carers and as always we will be running a free raffle to give all carers a chance to get a present before christmas.
