

Can't see a GP or Nurse when you need to?

Help us improve access to urgent primary care services across Southwark

You Said....

Over the past year we've been engaging with local people and have heard what you feel is important when accessing general practice for both routine and urgent appointments.

We Did....

We have listened to your views and this has informed the development of a proposal for how we could deliver urgent primary care services in the future.

Now we want to hear your thoughts about these plans.
