

Talking About Talking Therapy

Help us improve talking therapy services across Southwark

NHS Southwark CCG reviewed primary care counselling in 2013 and found that not all Southwark residents had equal access to the service

The CCG has decided to put in place a new talking therapy service across Southwark

We want to hear about your experiences of talking therapy services and hear your views about our ideas

Tuesday 8 April 2014

6.30 – 8.30pm (refreshments from 6pm)

Cambridge House, 1 Addington Square, SE5 0HF
