

Developing the patient voice in Southwark

National Patient Participation Group Week, 2-7 June

NHS Southwark CCG wants to recognise the contributions local people make to their GP practice and patient groups, sharing examples of the good work they do

At the event you can...

- Learn about the role of patient groups in Southwark
- Share top tips about making your patient group a success
- Take part in practical sessions about
 - Objectives of patient groups
 - Having effective meetings
 - Designing publicity and leaflets
- Find out about free training for Patient Participation Groups
